# How to show your work

To ensure your Members card stands out please set the page background to Grey 1

## Small breakpoint

The page should have padding of 15px left and right and 30px top.

The card should be fluid and fill the whole width of the available space.

## Large breakpoint

The page should have a padding of 30px top.

The card should be a fixed width of 450px and be placed in the middle of the page horizontally.
